

Is your information up to date?

Change happens! You move into a new house, get a new cell phone number or no longer have a land line in your home, or maybe you changed your email address.

Have you remembered to update your contact information?

It is important to keep your contact information up to date so that when we need to reach you to advise you of changes to your account or services there won't be a delay. There are also new products coming that will require the correct contact information on file to avoid service interruptions.
