

Here at Teachers Plus Credit Union, helping our members become financially better off is our main objective. We provide all the great products and services that a bank can provide, but we do more. As a credit union, a fully member-owned organization, we are only as strong as all our members and that is reflected in our values and how we treat each person we deal with every day.

Details of our offer our “Four” offer?

We are offering you a **fixed mortgage rate of 4.00%** for a four-year term.

This offer is subject to receiving financial approval and meeting all conditions of that approval.

This offer is valid for new purchases, refinances, and renewals.

Offer is valid until June 30, 2025. Offer may be discontinued at any time.

Competitive 1, 2, 3, & 5-year term rates also available – ask us for details!
